Description :

Prsentation de l'diteurThis essential dictionary and phrase book includes every term you need to know when buying, maintaining, renovating or building a home in France. Accessible and comprehensive, it includes the technical words you wont find in an ordinary dictionary for tools and equipment and every aspect of painting, carpentry, roofing, plumbing and drainage. It also equips you with terminology for planning

structural changes such as extensions and determining boundaries. An appendix of emergency phrases will make this a book you'll want to keep by the phone at all times. Whether you own a home or work in France, this book will help you talk to French tradesmen with authority and avoid costly misunderstandings as you pull down the language barrier brick by brick. Revue de presse "Includes hundreds of up-to-date words that you won't find in an ordinary dictionary!" -- Brit Mag, May - June 2007... plain alphabeticalised sailing. There are key words for every possible scenario. ...this is what we have all been waiting for. -- Living France Magazine, August 2006 The practical know-how to turn your pie-in-the-sky scheme into reality. -- The Mail on Sunday This is what we have all been waiting for. -- Living France magazine Prsentation de l'diteur This essential dictionary and phrase book includes every term you need to know when buying, maintaining, renovating or building a home in France.
