Description :

Prsentation de l'diteurThe war on drugs has been lost but for want of the courage to face the fact that the whole world is rapidly becoming one vast criminal network. From pop stars and princes to crack whores and street kids. From the Groucho Club toilets to the poppy fields of Afghanistan, we are all partners in crime. HIGH SOCIETY is a story or rather a collection of interconnected stories that takes the reader on a hilarious, heart breaking and terrifying journey through the kaleidoscope world that the law has created and from which the law offers no protection.Revue de presse"Rik Mayall takes this tale of excess spendily over the top, mimicking accents tedious for the lay person to read (the story roams around the country) and fleshing

out the papery characters."
