Prsentation de l'diteurThe astonishing tale of a little girl who was different, her cat and how they brought a family together.'Different is brilliant . . .' Iris Grace is different. From the moment she was born she found the world a strange and terrifying place: she neither smiled nor spoke. The doctors couldn't help, telling her parents she might never be able to communicate - she'd never call them mummy or daddy. But then Iris met

Thula. This special kitten and Iris became instant best friends. They did everything together - painting, playing, bathing, snuggling, sleeping, exploring. And then a miracle happened: Iris said her first words. The story of the amazing bond between Iris and Thula is a heartwarming tale of finding hope and happiness in the most unexpected places. Because different really is brilliant.***'Moving, honest and full of hope.
