Description :

Prsentation de l'diteurA dramatic and remarkable narrative of an extraordinary teacher's determination, from the author of the Sunday Times bestsellers The Tiger's Child and One Child.Torey Hayden faced six

emotionally troubled kids no other teacher could handle three recent arrivals from battle-torn Northern Ireland, badly traumatised by the horrors of war; an eleven-year-old boy, who only knew life inside an institution; an excitable girl, aggressive and sexually precocious at the age of eight; and seven-year-old Leslie, perhaps the most hopeless of all, unresponsive and unable to speak. But Torey's most daunting challenge turns out to be Leslie's mother, a stunning young doctor who soon discovers that she needs Torey's love and help just as much as the children. Just Another Kid is a beautiful illustration of nurturing concern, not only for a few emotionally disturbed children, but for one woman facing a personal battle. Prsentation de l'diteur A dramatic and remarkable narrative of an extraordinary teacher's determination, from the author of the Sunday Times bestsellers The Tiger's Child and One Child. Torey Hayden faced six emotionally troubled kids no other teacher could handle three recent arrivals from battle-torn Northern Ireland, badly traumatized by the horrors of war; eleven-year-old Dirkie, who only knew of life inside an institution; excitable Mariana, aggressive and sexually precocious at the age of eight; and seven-year-old Leslie, perhaps the most hopeless of all, unresponsive and unable to speak. With compassion, rare insight, and masterful storytelling, teacher Torey Hayden once again touches our hearts with her account of the miracles that can happen in her class of special children.
