Description :

Prsentation de l'diteurAfter spending a lifetime looking after her husband, Harry, Katherine Bourne has had enough. Every time she chops up her delicious home-grown tomatoes she dreams of murdering her husband.

Why cant Harry just have an affair with a younger woman, and leave?Trouble is Harry has no intention of giving up his home comforts. Not when hes been having his cake and eating it for years. Glamorous banker

Carol accompanies him on business trips and the odd weekend away, but she too is beginning to think maybe life with Harry is growing stale.So whos fooling who? Harry, happy in his illusion that hes a sex god and all his women love him? Katherine and Carol, unlikely partners in Harrys parallel lives? Against a background of gleeful coincidences, cute Cambridge cafes and the unexpected joys of unexplored freedom,

the women decide that revenge is a dish best eaten cold. First published in 1999, *Just Desserts* takes us back to an era of shoulder pads and fax machines, and proves that when it comes to love and betrayal some stories are timeless.
