Description :

Prsentation de l'diteurHe became a bestselling novelist while still in college, immediately famous and wealthy. He watched his insufferable father reduced to a bag of ashes in a safety-deposit box. He was lost in a haze of booze, drugs and vilification. Then he was given a second chance. This is the life of Bret Easton Ellis, the author and subject of this remarkable novel. Confounding one expectation after another, Lunar Park is equally hilarious, horrifying and heartbreaking. Its the most original novel of an extraordinary career and best of all: it all happened, every word is true.ExtraitPlease visit eastonellis.com to read an excerpt, and get more information about the book.From the Hardcover edition.Revue de presseUn relato espectacular del
