Description :

Prsentation de l'diteurMusic production 101 is a classic crash course in sound engineering.Covering the basics from setting up your own music studio to song structure and mixing, it is general enough to please most genres.However, Hip-Hop producers might get the most out of it since it comes bundled with a complementary Beat Construction Kit courtesy of Ulinger.com.Thus after learning some theory, you can easily get down to it and practice remaking an old school Hip-Hop beat with all the necessary sound files. No fancy equipment will be required, you'll learn that soon enough after reading what's inside!Prsentation de l'diteurMusic production 101 is a classic crash course in sound engineering.Covering the basics from setting up your own music studio to song structure and mixing, it is general enough to please most genres.However, Hip-Hop producers might get the most out of it since it comes bundled with a complementary Beat Construction Kit courtesy of Ulinger.com.Thus after learning some theory, you can easily get down to it and
