## Description :

Presentation de l'diteurTakes the guesswork out of posing models and provides photographers with the knowledge they need to avoid common pitfalls. It also illustrates numerous posing variations and shows readers how to use poses to achieve a number of different creative objectives. Pegram provides images that illustrate basic poses and shows a host of subtle variations, making this title not only a great instruction manual but an inspiring ideas book too.Prsentation de l'diteurTakes the guesswork out of posing models and provides photographers with the knowledge they need to avoid common pitfalls.
