## Description :

Prsentation de l'diteur WITH AN INTRODUCTION BY HELEN SIMPSON From familiar fairy tales and legends - Red Riding Hood, Bluebeard, Puss in Boots, Beauty and the Beast, vampires and werewolves - Angela Carter has created an absorbing collection of dark, sensual, fantastic stories. Revue de presse "A wonderfully written book, ironical, cerebral, elegant." Joyce Carol Oates, The New York Times Book "She writes a prose that lends itself to magnificent set pieces of fastidious sensuality dreams, myths, fairy tales, metamorphoses, the unruly unconscious, epic journeys, and a highly sensual celebration of sexuality in both its most joyous and darkest manifestations." Ian McEwan "Carter not only switches her narrative into the wholly explicit but turns the passive predicament of the heroine into one in which the convention of female

role-playing seems to have no part, only brisk and derisive common sense, the best feminine tactic in a tight corner. The tales are retold by Angela Carter with all her supple and intoxicating bravura." The New York of Books "She was, among other things, a quirky, original, and baroque stylist, a trait especially marked in The Bloody Chamber her vocabulary a mix of finely tuned phrase, luscious adjective, witty aphorism, and hearty, up-theirs vulgarity." Margaret Atwood, The Observer Presentation de l'auteur WITH AN INTRODUCTION BY HELEN SIMPSON From familiar fairy tales and legends - Red Riding Hood, Bluebeard, Puss in Boots, Beauty and the Beast, vampires and werewolves - Angela Carter has created an absorbing collection of dark, sensual, fantastic stories.
