## Description :

Prsentation de l'diteurStruck by a bolt of lightning and doused in chemicals, Central City Police scientist Barry Allen was transformed into the fastest man alive. Tapping into the energy field called the Speed Force, he applies a tenacious sense of justice to protect and serve the world as the Flash!The Fastest Man Alive returns in the New 52 with writer/artist team Francis Manapul and Brian Buccellato. The Flash knows he can't be everywhere at once, but he has seemingly met his match when he faces DC Comic's hottest new super-villain, Mob Rule, who really can be everywhere at once!As Mob Rule wages a campaign of crime across Central City, including an electromagnetic blast that plunges the city into darkness, the Flash learns that the only way he can capture Mob Rule and save Central City is to learn how to make his brain function even faster than before--but as much as his new moves help him, they also comes with a steep price.This

volume collects issues 1-8. Revue de presse "Showcases the Flash's likability and almost a hint of goofiness ... a lot of potential for greatness." USA Today "A visual treat.... Any reader can easily jump on board." The New York Times "The Flash will be one of the runaway hits of this reboot--and could eventually become one of the great runs of American superhero comics." Time Out Chicago "Flash fans should breathe a sigh of relief that the character is 100% definitely in the right hands." MTV Geek "An accessible, charming superhero tale." io9 Presentation de l'auteur Struck by a bolt of lightning and doused in chemicals, Central City Police scientist Barry Allen was transformed into the fastest man alive.
