Description :

Prsentation de l'diteurIn this first volume of Brian Wood's new, sprawling postapocalyptic epic, follow the crew of the Kapital from the flooded remnants of Hong Kong to Unalaska, with stops in Antarctica and Mogadishu, as post-Crash ethics and economics are explored across a broken world. Collecting issues #1#6 of the series, plus three eight page stories from Dark Horse Presents. * From New York Times best-selling author Brian Wood! "I can't wait to see more of The Massive."-iFanboyRevue de presse"The artwork is staggering, it's stark naturalism and detail lending the ravaged Earth a beguiling beauty, while at the same time capturing the violent, and often graphic, action of the pragmatic characters in all of their brutal, noir infused dark glory. Fiercely intelligent and terrifying, The Massive is a bold, creative story." --Mass
