Description : Description du produit Samuel Butler was among the most wide-ranging of the accomplished crew of late Victorian writers to which he belonged -- a forceful controversialist in the debates that surrounded Darwin's theory of evolution, a painter who sometimes exhibited at the Royal Academy, an idiosyncratic critic and a gifted travel writer, and even, in his early years, a highly successful sheep farmer in New Zealand. He was also, as *The Way of All Flesh*, his deterministic tale of the havoc wrought by genetic

inheritance, suggests, one of the great British masters of the novel of ideas.

Prsentation de l'diteurHow is this book unique? 15 Illustrations are included Short Biography is also includedOriginal Unabridged EditionTablet and e-reader formattedBest fiction books of all timeOne of the best books to readClassic historical fiction booksBestselling FictionThe Way of All Flesh (1903) is a semi-autobiographical novel by Samuel Butler that attacks Victorian-era hypocrisy. Written between 1873 and 1884, it traces four generations of the Pontifex family. Butler dared not publish it during his lifetime, but when it was published it was accepted as part of the general reaction against Victorianism.In 1998, the Modern Library ranked The Way of All Flesh twelfth on its list of the 100 best English-language novels of the 20th centuryRevue de presseIt is read, I believe, mostly by the young, bent on making out a case against their elders, but Butler was fifty when he stopped working on it, and no reader much under that age is likely to appreciate the full beauty of its horrors. . . . Every contemporary novelist with a developed sense of irony is probably in some measure, directly or indirectly, indebted to Butler, who had the misfortune to be a twentieth-century man born in the year 1835 --The New YorkerPrsentation de l'diteurHow is this book unique? 15 Illustrations are included Short Biography is also includedOriginal Unabridged EditionTablet and e-reader formattedBest fiction books of all timeOne of the best books to readClassic historical fiction booksBestselling FictionThe Way of All Flesh (1903) is a semi-autobiographical novel by Samuel Butler that attacks Victorian-era hypocrisy.
