Description :

Prsentation de l'diteur The Terran Union is engaged in a vast interstellar war against the Krag, ruthless aliens intent on exterminating humankind. In 2315, the wily Max Robichaux is given command of the USS Cumberland, a destroyer with state-of-the-art capabilities but a combat record so bad, shes known as the Cumberland Gap. Capt. Robichauxs first mission: to take his warship to the Free Corridor, where the Krag have secretly been buying strategic materials, and to seize or destroy any ships carrying enemy cargo. Far from the fleet and under enforced radio silence, Max relies only on his determination and guileand the support and friendship of his chief medical officer, the brilliant Dr. Sahin.Because even as he deals with the

ships onboard problems and the stress of carrying out her risky assignment, Max and the doctor discover that the Cumberland and her misfit crew are all that stands in the way of a deadly Krag attack that threatens to end the war and humanity once and for all. A far-future story in the tradition of ships of wood, men of iron novels, *To Honor You Call Us* and the *Man of War* series combines the adventure of exploration, the excitement of war, and the dangers of the unknown through the eyes of a ship and her crew. Revised edition: This edition of *To Honor You Call Us* includes editorial revisions.
