Description :

Prsentation de l'diteurYesterdays Sun, a poignant debut novel from British author Amanda Brooke, finds a young woman having to choose between her own life and the life of her future child.When newly married Holly and her husband Tom move into a charming old manor house in the English countryside, she couldnt have predicted that a mystical moondial would change her lifeand her destiny.In the style of Jodi Picoult, with memorable characters, and tender, warm, prose, Yesterdays Sun is a brilliant, suspenseful tale of free will versus fate; a heart-wrenching story of family and the risks we take to break from the past.Prsentation de l'diteurYesterdays Sun, a poignant debut novel from British author Amanda Brooke, finds a young woman having to choose between her own life and the life of her future child.When newly married Holly and her husband Tom move into a charming old manor house in the English countryside, she couldnt have predicted

that a mystical moonstone would change her life and her destiny. In the style of Jodi Picoult, with memorable characters, and tender, warm, prose, *Yesterdays Sun* is a brilliant, suspenseful tale of free will versus fate; a heart-wrenching story of family and the risks we take to break from the past. *Quatrim de couverture* A suspenseful tale of free will versus fate an extraordinary story of love and family, and the risks we take to break free from the past *Newlyweds* Holly and Tom have just moved into their dream home, a charming English carriage house in the London suburbs. A rising television journalist, Tom can't wait to fill the house with children. Holly, a budding artist, isn't so sure. She fears that as a mother, she will repeat the terrible mistakes of her own neglectful parents. But Holly and Tom are young and deeply in love, and they have time to decide. While renovating the house, Holly finds an unusual crystal orb the missing top to the moonstone in their garden. She soon discovers this is no ordinary timepiece. Under the full moon's brilliant light, it reveals the future a future in which Tom cares for their baby daughter . . . alone. Holly's new friend in the village, an elderly woman named Jocelyn, reveals the cursed secret of the moonstone's power. Now Holly must choose between herself and her future child a painful decision that will ultimately teach her about motherhood and sacrifice . . . and reveal how far she will go in the name of love.
